GÉRER LES PRIX - AUTEUR : LEONARDO DI CAPRIO

Les acteurs invités à la cérémonie ont une chance de se voir décerner un prix. Il est donc important de créer le prix. On souhaite avoir l'historique de tous les gagnants de chaque prix, par année, par festival.

- TST05 - Il ne peut y avoir qu'un seul acteur par prix, à un festival et à une année donnés.

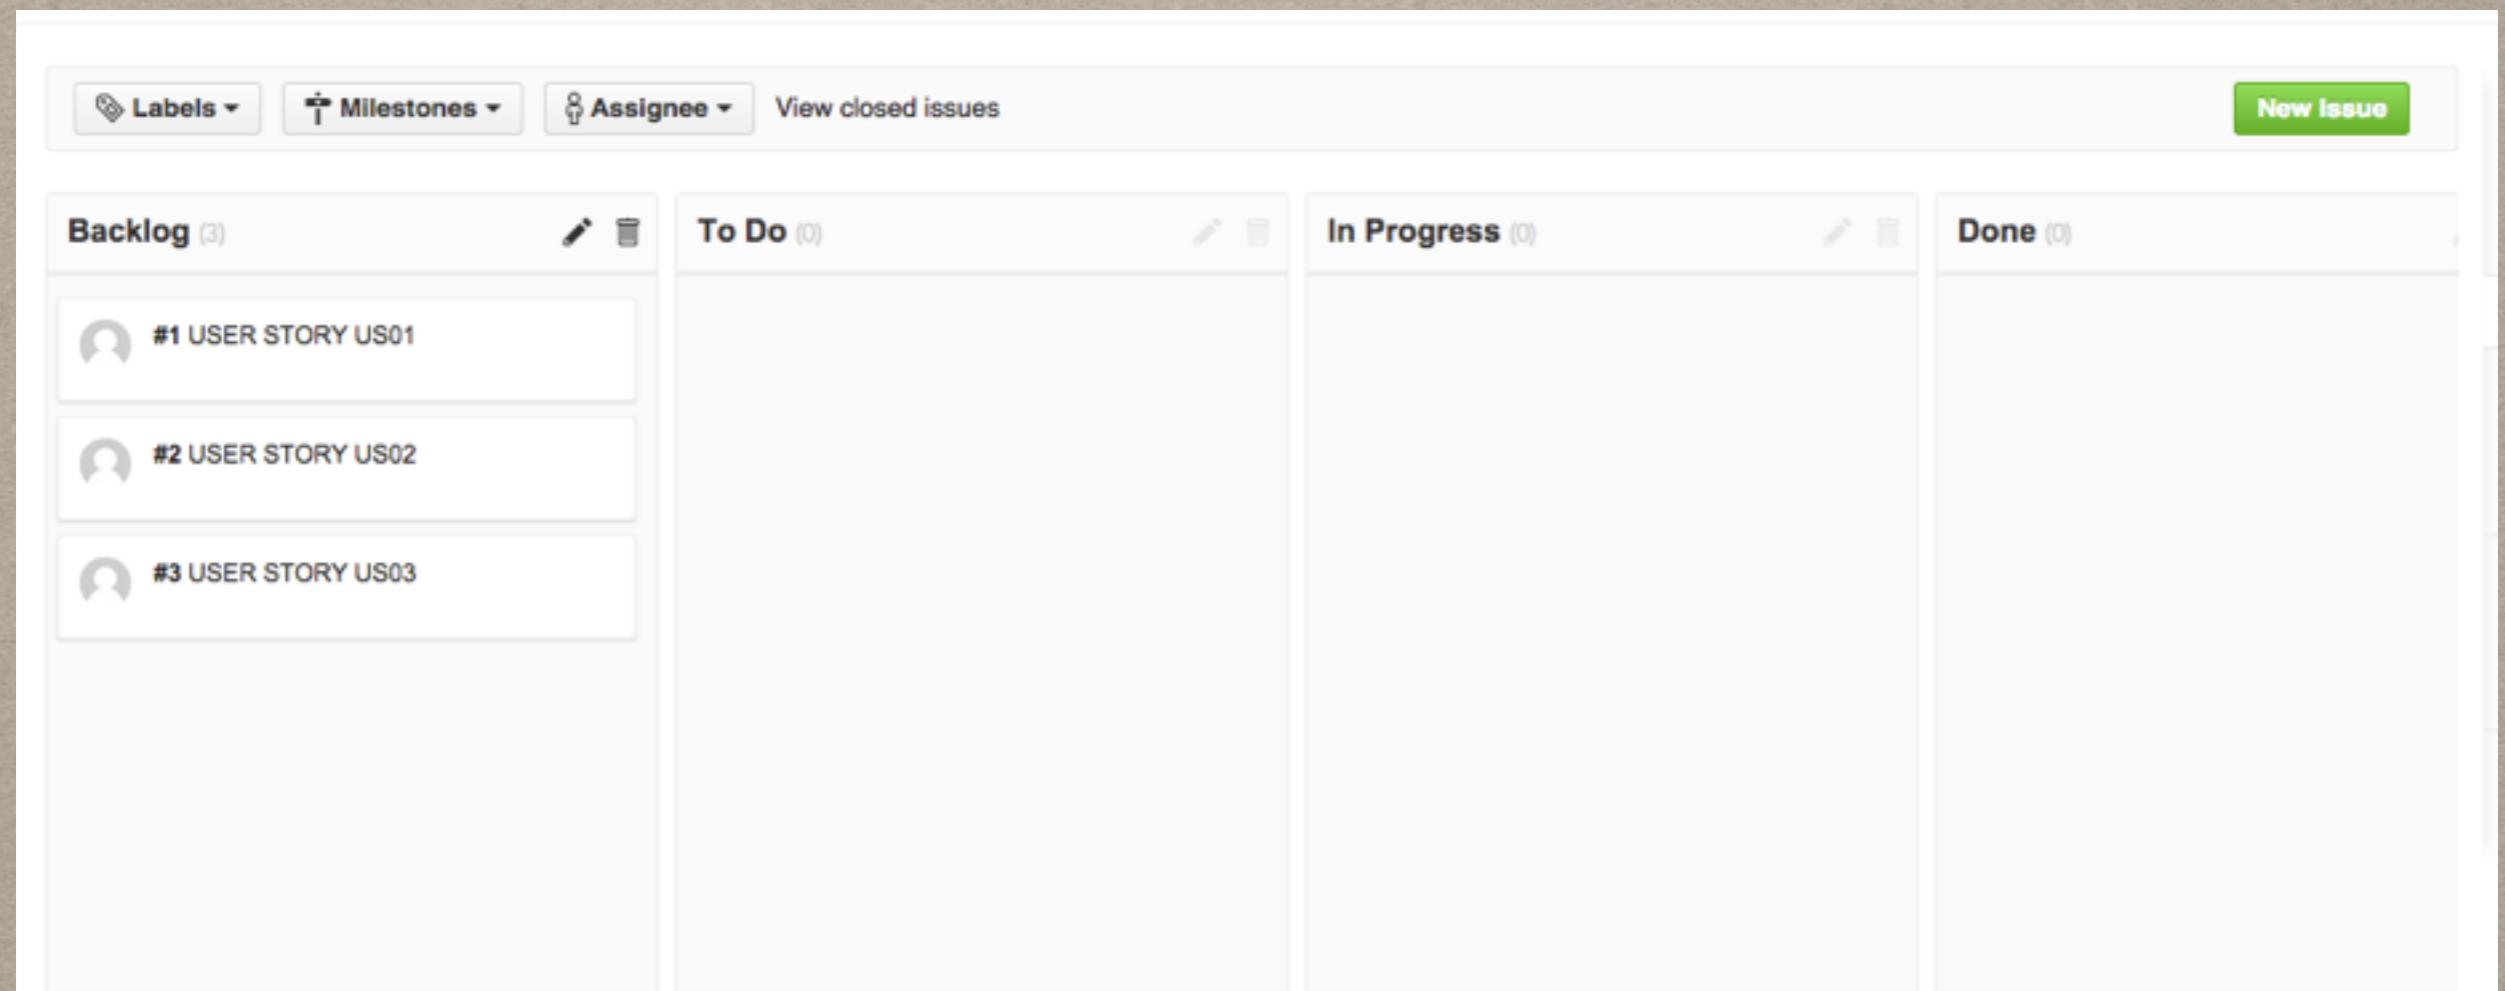

Estimation de charge : 8 points
